THERE IS NO PLANET B RECYCLE!

One of the ways in which we can make our contribution is by recycling our waste. Here's a reminder of what can go into the **Blue bins**:

- Glass (leave lids on glass jars and bottles)
- Cans (do not crush)
- Paper, magazines, newspapers, junk mail, catalogues, phone directories and wrapping paper (non-plastic/metallic)
- Envelopes (including plastic windows)
- Cardboard food boxes and egg cartons (flattened)
- Cereal, cardboard packages (remove plastic padding) and food boxes
- Toilet or kitchen roll inner cardboard
- Plastic drinks bottles (keep lids on, do not flatten)
- Plastic shampoo and cleaning bottles

All these should be placed **loose** in the bin. The recycling process automatically rejects bins with black or other waste bags and with anything else not on this list.

For gardeners there are **Green bins** - but only for:

- Grass cuttings, hedge clippings, dead plants and weeds
- Cut flower and shrub prunings (woody waste)
- Bark, leaves and small twigs
- Branches no larger than 7.5cm or 3 inches in diameter

Take everything else which can't go into the Blue, Green or Purple bins to a **recycling centre**. Our nearest one is at Otterspool, in Jericho Lane, L17 5AR. Opening hours are:
1st Apr - 30th Sept: Daily 8am to 8pm

Dear Auntie TANN

As an Avenues resident of many years, what can be done about bins left out on the pavement after collection day, and bins left all week in front of alley-gates?

Yours sincerely, Mr Methuselah.

Dear Mr Methuselah

It is a nuisance when bins are left on the pavement. Sadly it's a particular problem in Hawarden, Gresford and Rossett. You could have a word with whoever, perhaps they're unaware of the rules? You could contact local councillors, or contact the City Council directly to report the issue and request advice.

Kind regards, Auntie TANN

Dear Uncle TANN

I have a problem, due to downsizing I have some unwanted furniture and can't manage to take it to the tip myself. Yours, Mrs V Old.

Dear Mrs Old

There is no problem, **BULKY BOB** collects and recycles many items of furniture. It is FREE! call **0151 233 3000** or go online: just google "Bulky Bob Liverpool"

Regards, Uncle TANN

**WANTED!
VOLUNTEERS**

to deliver TANN Newsletters

Two new deliverers required

York Avenue, and part of Ullet Road (between Smithdown and York Avenue) need new deliverers. One of our team has moved away creating a vacancy, and another has retired after a magnificent 20 years of delivering service. A special thank you to Reg Ash for such amazing commitment.

A delivery takes about twenty minutes five times a year, just prior to meetings in March, May, July, September and November.

If you take on a delivery beat, a pack of newsletters will be brought to your door each month ready for distribution.

TANN relies on kind and selfless volunteers! Are you willing to join our happy band of newsletter deliverers? Contact Brenda, 0151 733 1912 Mobile - 07773 426 684 or email
